

CONCRETE BRIDGE DEVELOPMENT GROUP

Maximising New and Existing Bridges

CBDG Conference 2018

Institution of Structural Engineers,
London.

Wednesday 27 June 2018

Call for Presentations

Road, Rail and Foot Bridges

Subject matter:

- ❖ Overcoming design and construction challenges
- ❖ Enhancing capacity and performance
- ❖ Optimising whole life costing
- ❖ Benefiting from design software and materials
- ❖ Deck and Substructure

CBDG is making a **call for presentations** related to the above subject matter:

- Abstract submission by 16 February 2018
- Submission to include Title, Outline content (150 words maximum)
- Following acceptance: Presentation by 16 June 2018 - PowerPoint file

Papers are not required for the presentation and instead each session will be recorded as PowerPoint voice-over and the resulting video will be placed onto the CBDG website for subsequent CPD use. The presentations will also be made available in pdf format to further enhance use and promotion.

Send abstract to: Carmen.Shead@CBDG.org.uk
